

Tustin Pickleball Men's Ladder – September 14, 2025

Rules Summary – Fixed Partners

- Your team will be assigned to either the black or red ladder.
- Each ladder consists of 5 courts/positions. The goal is to get to court 1, the highest position on the ladder (starting positions will be determined by the Event Director prior to the start of the event).
- Winning teams move up a court, losing teams move down a court.
- For the next game, coin flip determines which team chooses serve, side, or receive.
- There will be 7 timed games, each game is 12 minutes long or first to 11 win by 2, whichever comes first.
- If tied at 12 minutes, next point by serving team wins the game.

Game 8 – Courts 1 & 2 Finals

- Teams who end up on court 1 after game 7 will play an 8th and final game for gold and silver medals.
- Teams who end up on court 2 after game 7 will play an 8th and final game for the bronze medal. Losing team in the bronze medal game will win the 2 pickleballs on the court.
- Finals are one untimed game to 15 win by 2, switch sides at 8.

Game 8 – Courts 3 through 5

- All other teams who end up on courts 3 through 5 after game 7, will play an 8th and final untimed game, first to 15 win by 2, switch sides at 8. The winners of the 8th game will win the 2 pickleballs on the court.
