Fire Lane & Designated Parking - Reminder

Hello Members!

It was brought to our attention by Tustin Unified School District (TUSD) that on this past Saturday October 4th, there were two vehicles parked in the fire lane (see photo below). In addition to being a safety concern, parking in these areas exposes the District to liability. According to the District, if this practice continues unchecked, it could be viewed as an accepted past practice. TUSD has informed us that they will have their Campus Safety Officers begin towing vehicles parked illegally starting this weekend.

As a general reminder, please be sure to park only in designated areas allowed for our club's usage. There is **NO PARKING ALLOWED** in the TUSD Maintenance & Operations parking lot (adjacent to court 10) Monday through Friday from 6am to 3:30pm. During these hours, weekday parking is only allowed on the street, in surrounding neighborhoods, or in the small lot adjacent to courts 1, 2 and 3. Members **ARE ALLOWED** to park in the TUSD Maintenance & Operations parking lot on weekends and holidays, and starting this Saturday October 11th, we will be allowed to park in the new parking lot on School Ln on weekends. TUSD will have cars towed if parked in non-designated areas.

We are fortunate to have a great partnership with TUSD. Over the years, they have made several accommodations to work with Tustin Pickleball and not following their rules and guidelines can and will jeopardize our program's existence. We would greatly appreciate everyone's help in parking only in designated areas and to remain vigilant for their own safety and for the safety of others.
