#### **b. Wood Cross**

The wood cross that is placed on court 9 to keep the instruction balls from going onto the other courts will not be part of opening and closing duties.

#### **c. Trash Pick-Up**

Board members and players are reminded to pick up trash at the end of each day.

#### **d. Drilling**

The Board discussed the idea of limiting drilling on Saturdays because the courts are too busy. If there are people waiting to play on the other courts, please don't take up a court drilling. The Board discussed the ongoing problem of players not playing with people of the same skill level. We try to make the program competitive, so please move up or down if the games are skewed.

Tustin Pickleball sells balls for \$2.00 each. The Board asks that players limit

ball purchases to 20 balls each, due to the limited supply.

#### **f. Donation Box**

The Board will put out a cash donation box for people who wish to donate money to our program.

#### **g. No Parking Sign**

The District provided us with a No Parking sign that should be brought out each day and put away when closing.

### **5. Membership Drive for 2022**

### **6. Program Considerations**

#### **a. Spectators and Young Children**

Non-players should not be allowed on the courts during organized play. There have been some recent complaints about toddlers running around the courts while their parents play.

#### **b. Change of Scoring**

The Board discussed the idea of switching to rally scoring when the wait time is longer than an hour but decided to not implement this change at this time.

### **7. 2022 Board Elections**

Board elections are coming up in November. Any participant who wishes to run may submit their name and bio to one of the Board members. An email will be sent out in October letting the membership know the details of the elections.

### **8. Facility Work Requests**

Sal Sanchez, Director of Maintenance and Operations came out to inspect the areas where the court surface is crumbling. Unfortunately, the issue is

not an easy or quick fix. The District will monitor the areas of concern.

**9. For the Good of the Order**

Albert once again mentioned the status of our non-profit club. He raised the issue of where we donate our money, when in reality, the money is used to further the advancement of pickleball in the community and to pay for the expenses related to the program. Albert is concerned that the deadline to file taxes is near. He stated that if Tustin Pickleball fails to do this, the club will lose our 501c3 status.

**10. Adjournment to Clean Shed**

Sheila Driscoll adjourned the meeting at 12:55pm.
