Membership Fee for 2024

Annual membership in Tustin Pickleball is valid for the calendar year, January 1st through December 31st. Your membership fee helps pay for club expenses such as facility use permits, restroom access, venue insurance, equipment, webcam service, and court improvements.

The benefits of membership include club discounts on pickleball merchandise at select websites, voting privileges, qualification to be a Board Member, and participation in club sponsored events such as round robins and ladders.

Starting January 1, 2024, we will be raising our annual membership fee to \$120. This change will allow us to increase our club hours (and restroom access) from 7-10am to 7-11am and provide additional funding for facility improvements and special events.

On January 1, we will also increase our drop-in fee for non-members from \$5 to \$10 per day to help alleviate overcrowding and provide higher priority for our members.

To ease the transition and provide incentive for early renewals, we will be offering 2024 memberships for \$100 between October 1st and December 31st, 2023. This offer applies to both new and renewing members. New memberships will be valid for the remainder of 2023 and all of 2024.

Memberships can be purchased/renewed using PayPal by going to the [Join/Renew page](#) on our website at www.tustinpickleball.org. Memberships can also be purchased at the check-in desk at the courts by cash, Zelle, or Venmo.

Thank you for being a member of Tustin Pickleball. At \$10 per month, we firmly believe our pickleball program is still one of the best values in Orange County. We appreciate your continued support and look forward to another great year in 2024.
