

Tustin Pickleball Team Challenge II

September 21 to October 6, 2024

Match Rules

- Each match will consist of four games – men’s doubles, women’s doubles, and two mixed doubles. Two courts will be used for each match to allow for continuous play.
- Each player will play 2 games – first game in the gender doubles, second game in one of the two mixed doubles.
- If there is a tie after four games, a tie-breaker game between the two teams will be played as follows:
 1. Each will assemble a doubles team of any two players (they do not have to be the same pair that played in the four regulation games). It could be either gender doubles or mixed doubles.
 2. The two teams will play against each other until one reaches 6.
 3. Teams will switch sides
 4. Then the remaining two players on each team will pair up and play the rest of the game.
- Games are to eleven, win by two or 15 minutes, whichever comes first.
- If tied at 15 minutes, the next point wins the game regardless of serve.
- Team standings for the playoffs will be based on the total number of Matches won.
- If there is a tie in team standings after round-robin play, the total game points differential from the matches (regulation games only) will be used as the tiebreaker to determine playoff spots.
