Update - Court Resurfacing June 2-20, 2025

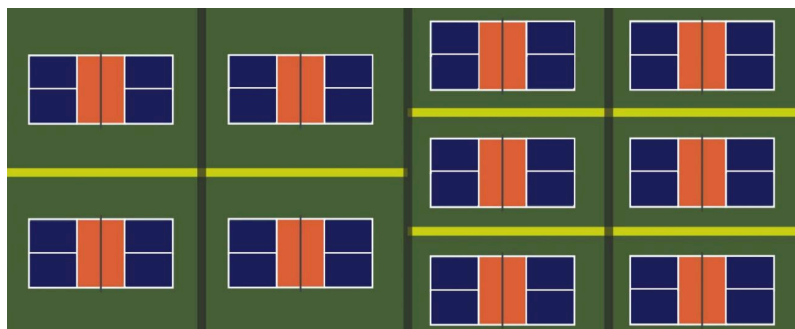

Hello Members!

Here is an update regarding the court resurfacing project. Construction is scheduled to start during the week of June 2nd. We will get a specific start date next week when TUSD is updated by the contractor. The project is now estimated to take 2-1/2 weeks to complete. If all goes as planned and the weather cooperates, we could possibly re-open by Saturday June 21st.

TUSD will post signs at the courts regarding the court closure and we will do our best to keep everyone updated on Facebook and our website regarding what days we will be open for organized play during the month of June.

As a reminder, the scope of work will include patching of cracks and spalls, power washing, applying SportMaster resurface coat to smooth out the surface, and two coats of SportMaster color system paint. New nets will be installed on each court once the painting is completed.

The color scheme will be tournament purple for the service boxes, orange for the kitchen area, light green around the periphery, and white lines.

is. The purpose of the joint is to relieve stress and allow the concrete slabs to expand and contract with changing temperatures to prevent large cracks from forming. This joint was part of the original tennis court design and cannot be modified.

If you are looking for a place to play during the closure, Los Cab Sports Club has a special offer just for members of Tustin Pickleball. From June 2-13, 2025, Tustin Pickleball members can purchase a temporary membership at Los Cab for \$120. This temporary membership provides access to Los Cab's pickleball courts Monday through Friday between the hours of 6am to 2pm (last admission at 2pm) and on the weekends after 12pm until close. [For more details on the Los Cab offer, and how to sign up, click here.](#)

We apologize for the unavailability of the courts during this time, and appreciate your support and patience as we work with TUSD to complete this upgrade to the facility.

Your 2025 Board of Directors
