Policy of Play Updates

Hello Members!

As our club continues to grow and welcome new members, the Board periodically reviews our policies to ensure they support fair play, court availability, player safety, and a positive experience for everyone.

We have recently updated our **Policy of Play** and encourage all members to take a few minutes to review it, even if you have been with the club for many years. These updates are intended to improve court access during busy periods and provide clear guidelines for junior player participation.

The primary changes include:

- Use of **court timers** to help limit game length during high-demand periods and reduce wait times for all players.
- A new **Junior Players Policy** establishing guidelines for participation by players under the age of 18, including supervision and waiver requirements.

This document will also be available on our website at www.tustinpickleball.org/policyofplay. We encourage all members to familiarize themselves with these changes and the complete policy.

Thank you for your cooperation and for helping maintain a welcoming, safe, and enjoyable environment for all club members and guests.

If you have any questions regarding these updates, please contact us.

Thank You!
Your 2026 Board of Directors
