Welcome 2026 Members!

Hello Members!

As we conclude the first month of 2026, I'd like to take a moment to welcome everyone to a new year of play, connection, and growth in our pickleball club.

To our returning members, thank you for being the heart of this club. Your sportsmanship, enthusiasm, and willingness to include others are what make our courts such an enjoyable place to be. We look forward to many more games, laughs, and friendly competition together in the year ahead.

To our new members, welcome. We're glad you've joined us. Whether you're new to pickleball or have years of experience, we hope you'll find our club to be a supportive and fun community. Don't hesitate to introduce yourself, ask questions, and jump into games—one of the strengths of our club is how welcoming our members are.

I'd also like to take a moment to extend our sincere appreciation to our 2026 Board of Directors - Carl Cheng, Barbara Gerovac, Julie Cho, Greg and Bonnie Goodman, Jimmy Ogata, and Gerry Rowland, our Member-at-Large JoAnn Spiegel, and our volunteer staff consisting of Bob Hahn, Lec Suthida, Stella Inta, Mary Bailey, Gene Forsythe, David Fukuda, and Sandra Zukowsky. Their dedication, time, and behind-the-scenes efforts are essential to keeping the club running smoothly day to day. From organizing play and events, to managing the check in desk and upkeeping the courts, their commitment makes it possible for all of us to simply show up and enjoy the game.

For 2026, in addition to regular drop-in play, we'll again be hosting several members-only events such as round robins and team challenges, and offering free live ball and drill sessions. We're excited to continue building a positive environment that emphasizes fair play, learning, and camaraderie. We encourage everyone to participate, support one another, and most of all, have fun.
