2. The minutes for October were approved via email and posted to the website.

3. Treasurer's Report. Overall financials remain strong. We have enough in reserve to fund operations through 2027. The club has no liabilities.

4. Directors' Reports

    a. President's Report.
        i. Over the last three years, membership and attendance remains strong. This is despite the many other courts that have recently opened in Orange County. We have maintained our strong relationship with the Tustin Unified School District (TUSD) and receive priority for permit requests due to the improvements and maintenance we provide the courts. Our permit fees have not increased and are expected to remain unchanged for 2027. We are currently in the approval process with TUSD for repairing and repainting the concrete expansion joint on Courts 2 and 5. A trash can for Court 4 and power outlet for the shed are approved, but the work has not been scheduled by TUSD.
        ii. Terry took questions from the membership.
            1. Q: Can we get a bike rack?
               A: Submit a suggestion via the website, explaining why this is needed and how this would benefit the general membership. All suggestions are reviewed for approval at our regular Board meetings.

2. Q: Do we pay for courts during off hours?
   A: No. Tustin Pickleball only pays for permits during regular open play hours and for special events such as Sunday round robins.
3. Q: Can we install lighting on the courts?
   A: It is unlikely that TUSD would approve lighting. The cost to install and maintain the lights would be high. Also, lighted courts would negatively impact the neighbors.
4. Q: Can we install windscreens to cover the upper two feet of the fence?
   A: Submit a suggestion via the website, explaining why this is needed and how this would benefit the general membership. All suggestions are reviewed for approval at our regular Board meetings.

b. Vice President – Carl Cheng. Court reservations/permits are approved through December 30. Our insurance through those dates is current. Terry added a big thanks to Carl for his many years of service to Tustin Pickleball.

c. Communications – Bonnie Goodman. There's lots of fun coming up with Veterans' Day, Friendsgiving on November 21 and a Round Robin on December 6. Look for posts on Facebook and Instagram.

d. Competition, Instruction & Events – Greg Goodman. We anticipate a good turnout for the upcoming December 6 Round Robin with rotating partners. We have a new instructor (Leo Chen) and a ball machine for use with the drill program. Greg reminded members to sign up next month for the 2027 Drills on Team Reach.

e. Facilities & Equipment -Jimmy Ogata. As winter winds are picking up, we'll soon be storing the umbrellas until spring.

f. Membership – Julie Cho. Our membership currently stands at 1,013 members.
